## ***Travellers Choice members embrace a Golden opportunity to cruise***

16 January 2018: **Princess Cruises recently invited a selection of Travellers Choice's rising 'cruise stars' to enjoy a voyage along the Australian coast onboard *Golden Princess*.**

Before boarding the ship for a cruise between Sydney and Melbourne, the group of 20 agents received a guided tour of Carnival Australia's new headquarters in Sydney.

Travellers Choice General Manager Marketing Robyn Mitchell says the agents – who travelled to Sydney from across the group's national network – are all dedicated to growing their cruise sales over the next 12 months.

"Princess Cruises provided a wonderful opportunity for some of our most ambitious members to expand their cruise knowledge and further enhance their first-hand experience of ocean cruising," says Mitchell.

"During the visit to the new Chatswood office our members had the opportunity to meet many of the people they talk to each week as well as see how all of Carnival's world-leading cruise line brands work together.

"Not surprisingly the results are already flowing through as members pass on their passion and enthusiasm for cruising to their customers."
